Subject: General Map of Kennecott Utah Copper Facilities

Dear Mr. Shepherd,

I have enclosed the above referenced map as you requested. This map originally came from the UCD Modernization application and, although it is somewhat outdated in relation to the Copperton Concentrator, it is representative of Kennecott Utah Copper operations.

If you have any questions, please don't hesitate to contact me.

Sincerely,

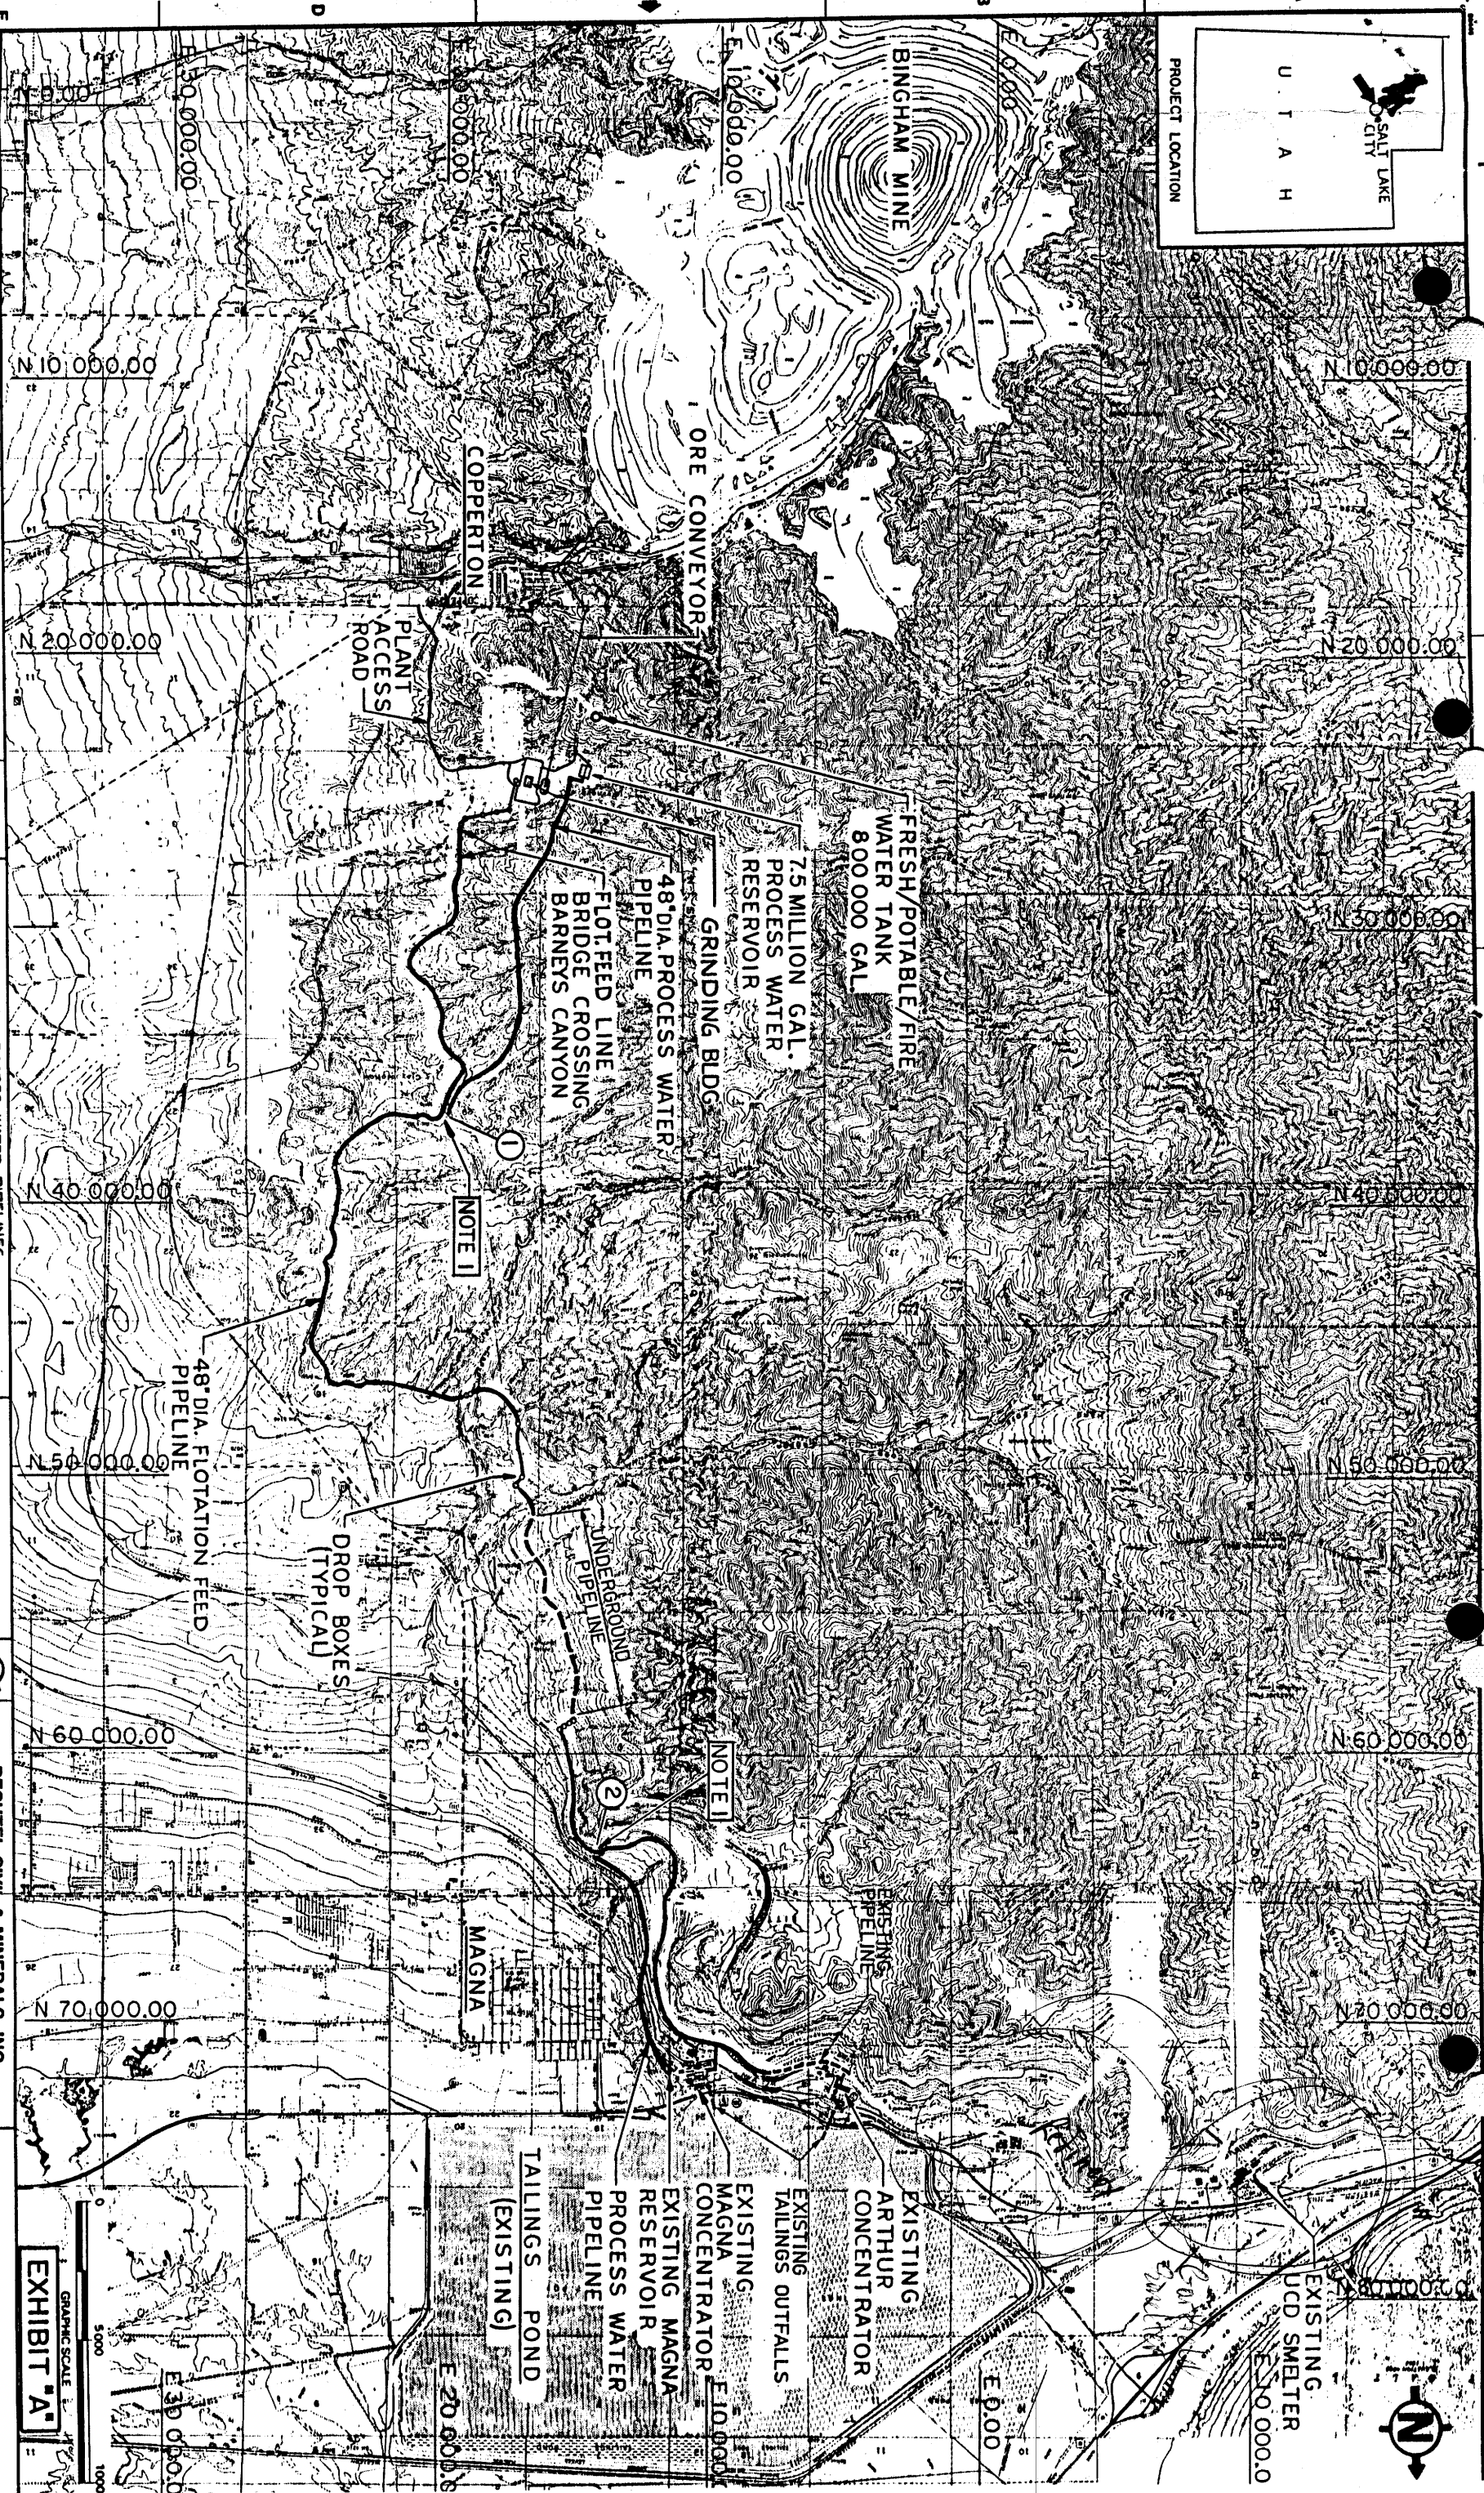

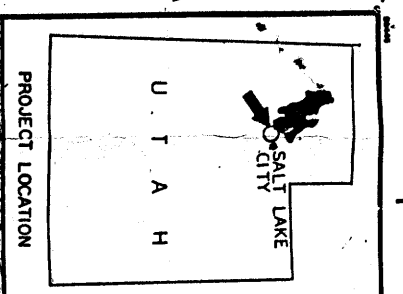

Barton D. Kale  
Environmental Engineer-Reclamation

cc: M.H.Gibson
